SPECIAL FEATURES

SILEX – Kitchen Genius 610.90/91/95

Get more free time with the no-fuss SILEX® Kitchen Genius 610.90. Grill steak in 2 minutes, bake banana cake in 15 minutes or roast chicken in 30 minutes. The healthy no oil cooking system seals in juices and preserves nutrients by cooking simultaneously from the top and bottom. Thermostatically controlled, the SILEX® Kitchen Genius 610.90 takes under four minutes to reach cooking temperature and is extremely energy efficient. Compact and portable, it is ideal for cooking indoors or outdoors, with the hinged upper plate giving stability and control when cooking foods of varying heights. And when it comes to cleaning, forget about scrubbing or soaking - the high grade cast aluminium with special non-stick surface lets you simply wipe round the edges with kitchen paper and start cooking again!

SILEX – The appliance

The SILEX® Kitchen Genius 610.90 comes complete with a range of accessories. Baking dish, sandwich spacer, griddle plate, spacer frame and recipe book.
